RUNNING WILD

It is the simple story of all life. It begins with big Bert Bird up bright and early after a worm. The battle is not so easy. At the same time ambitious Thomas Cat is out in search of birds. This causes a lot of confusion. Then comes Daredevil Dog who doesn't like cats.

However the cycle isn't complete until Happy Al, the dog catcher, comes along. The endless cycle of a chase ends by all falling over a cliff into a lake. Little Willie Worm escapes in the water and is having a good laugh when Fenton Fish snaps him up. Proving that "Life is just one darn thing after another."
